Family Promise of East San Fernando Valley routinely takes photographs or makes audio or video recordings (images) of participants in Family Promise events and activities. There are often times when Family Promise would like to use the images in news reports, presentations, and publicity for the program. We would like to be able to use your/your child's images for these purposes, so we are asking each participant to complete this authorization and release form.

I, _____, and, if applicable, the parent or legal guardian of the above child, hereby **GRANT** Family Promise of East San Fernando Valley, the right, without fee, to make, edit, use, or display photos and audio/video recordings (images) of me/my child. I agree that the images may be used in any form of written or electronic media now existing or created in the future, including standard print, websites, CD or DVD. I understand that the images will be externally released, but will only be used for news or publicity purposes to benefit Family Promise and will not be used for the profit of any individual or other corporation. I further understand that my/my child's images will not be identified by name without my further consent.

I, _____, **DO NOT** give my permission to Family Promise to use my/my child's images for any news or publicity purpose.
